

# National Enrichment and Learning Unit (NELU)

**National Enrichment and Learning Unit (NELU)** The National Enrichment and Learning Unit (NELU) of the Ministry of Education, Innovation, Gender Relations and Sustainable Development, through its National Enrichment and Learning Programme (NELP), offers continued educational opportunities to all young people aged 16 years and over. The NELP is taught at Adult Learning Centres located in various communities throughout Saint Lucia. Every year, over a thousand young people are trained in technical/vocational, enrichment, and academic areas. Under the SkYE Programme, The NELU will be training an additional 1,150 young people, over a three-year period.
