

Sacred Sports Foundation Inc.

Sacred Sports Foundation Inc. is a non-denominational, non-profit organisation aiming to achieve developmental change through sport. Sacred Sports focuses on social challenges impacting young people; primarily in the areas of unemployment, health and the environment. The Sacred Futures programme is specifically designed as a health, entertainment and sport, labour market adjustment programme. The organisation will recruit and train youths from disadvantaged communities, who are Not in Education, Employment, or Training (NEET). The programme aims to train 150 unemployed young people over the next three years. All participants will undertake internationally certified skills training and on the job placements.
